

A page about Milby

1. Start from scratch and create an empty page.
2. Include Bootstrap
3. `h1` - name of school
4. `h2` - "Address" heading
5. `address` - address of your school
 - getbootstrap.com/css/#type-addresses
6. `h2` - "Alma mater" heading
7. `blockquote` - Milby's alma mater
8. `h2` - "Roster" heading
9. Grid with 3 equally sized columns, with student names

A page about _____, your future college

1. Start from scratch and create an empty page.
2. Include Bootstrap
3. `h1` - name of school
4. `h2` - "Address" heading
5. `address` - address of your school
 - getbootstrap.com/css/#type-addresses
6. `h2` - "Alma mater" heading
7. `blockquote` - _____'s alma mater
8. `h2` - "Roster" heading
9. Grid with 4 equally sized columns, with student names
10. Add another sub-heading and call it "Campus". Include a picture of the campus shaped in a circle.
